

The Diocesan Tuition Assistance Program 2027-28 School Year

Diocesan Tuition Assistance is granted annually to families with children enrolled in our Catholic schools in grades K-8. Awards are based on financial need, and qualifying families may receive up to half of the school's in-parish tuition rate.

Determining Financial Need:

Financial need is assessed using the information provided in the application and supporting documents. A specialized formula tailored for families with children in Catholic schools is used. FACTS conducts a thorough review and verification process to ensure the accuracy of the information provided.

How to Apply (One Application per Family):

Applications will be available online beginning November 1, 2026, at <https://online.factsmgt.com>. Online applications are available in both English and Spanish. A \$40 application fee is required at the time of submission. If you qualify for Diocesan assistance, this fee will be added to your tuition assistance award. Please allow approximately two weeks for FACTS to process each uploaded document. If additional information is required, you will receive an email from FACTS. All applications marked as "Complete" by the applicable deadlines will be considered for the Diocesan Tuition Assistance Program.
